

# FUZE™

## NON-IONIC WETTER / SPREADER / PENETRANT

### PRINCIPAL FUNCTIONING AGENTS

Alkylphenol ethoxylate, polyether-modified polysiloxane, and glycol blend..... 100%

*All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.*

**WARNING**  
KEEP OUT OF REACH  
OF CHILDREN

### GENERAL INFORMATION

**FUZE™** is a superior organosilicone surfactant developed for water-based herbicides in agriculture, horticulture, industrial, turf and forestry applications. It is designed for quick spreading and wetting, uniform droplet distribution and absorption on leaf and stem surfaces. **FUZE™** may be used with most pesticides and fertilizer products. Care must be taken in treating sensitive crops during periods when plants are subjected to drought stress, high temperatures, and high humidity. **Disclaimer:** Always refer to the label of the pesticide before using **FUZE™** or any other product.

### PRECAUTIONARY STATEMENTS

**WARNING:** Causes serious eye irritation. Causes mild skin irritation. May be harmful if swallowed or inhaled. Wear protective gloves, protective clothing, and eye and/or face protection. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke when using this product. If eye or skin irritation occurs, seek medical attention.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment was waters.

### DIRECTIONS FOR USE

**AERIAL APPLICATION:** When applying aerially, follow pesticide label directions including minimum water volume per acre. Do not substitute **FUZE™** for water required by the pesticide label. **FUZE™** is not recommended for aquatic applications. **MIXING:** Mixing and application equipment must be cleaned according to cleaning directions on labels of pesticide used before application. Fill tank 2/3 to 3/4 full of water, then begin agitation. Add an antifoam to the spray tank before pesticides, nutrients, and/or **FUZE™** are included. Consult the pesticide and/or fertilizer labels for recommended sequence of addition. While agitating, add **FUZE™** and mix for 1 - 2 minutes with lower than normal agitation. Continue filling tank while agitating. For most effective results, apply within 36 hours after mixing.

### USE RATES

CHEMICAL GROUP	PINTS OF FUZE™ PER 100 GALLONS OF SPRAY MIX
Insecticides, Miticides & Fungicides	0.25 - 2 pints
Herbicides	0.75 - 4 pints
Glyphosate formulations without added surfactants	8 pints
Defoliant & Desiccants	0.75 - 4 pints
Fertilizers & Micronutrients	0.25 - 2 pints

### STORAGE AND DISPOSAL

**STORAGE:** Store locked up. Store in a cool well ventilated area. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not use, spill or store near heat or open flame. Take care to prevent any water from being introduced to the contents of this container. Do not contaminate water supplies. For optimal storage store between 40° and 90° F. **DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. Do not reuse container.

### FIRST AID

**IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Call a poison center or doctor to specify the appropriate source of emergency medical advice if you feel unwell.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present then continue rinsing. If eye irritation persists, seek medical advice or attention. **IF ON SKIN:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center or doctor to specify the appropriate source of emergency medical advice. If skin irritation occurs: Seek medical advice or attention.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

### FOR CHEMICAL EMERGENCY:

Call the POISON CONTROL CENTER at 800-222-1222
