# TURF EXCELLENCE™ BIG GREEN 12-0-0

This product is tank mix compatible with most fertilizers and pesticides. However due to the variability in water sources and pesticide formulations a compatibility test is recommended.

## GENERAL INFORMATION

In order to improve the appearance of turf, TURF EXCELLENCE™ BIG GREEN is used as a supplement to fertilizer programs by incorporating a stabilized source of nitrogen and a more available form of iron. TURF EXCELLENCE™ BIG GREEN can be used to help promote a darker green color in plants.

## DIRECTIONS FOR USE

TURF EXCELLENCE™ BIG GREEN will disperse in water with minimal agitation. It can be tank mixed with most pesticides. Always make a small-scale test to assure compatibility. Use of a surfactant is recommended when applying to plants with waxy leaf surfaces. Follow the mixing sequence: 1. Water; 2. TURF EXCELLENCE™ BIG GREEN; 3. Other fertilizer; 4. Pesticide. Most liquid fertilizers will mix easily with TURF EXCELLENCE™ BIG GREEN at normal fertilizer rates. When combining TURF EXCELLENCE™ BIG GREEN with phosphate fertilizers maintain vigorous agitation to ensure good product mixing.

| RECOMMENDED RATES        |  |
|--------------------------|--|
| TURF<br>(Greens & Tees)  | 3 - 10 fluid ounces per 1,000 square feet.<br>(0.03 - 0.10 lb of N per 1,000 square feet) as necessary.                                  |
| FAIRWAYS &<br>OTHER TURF | Apply 3-24 oz. per 1,000 square feet.<br>(0.03-0.25 lb. of N per 1,000 sq. ft.) as necessary.<br>Use sufficient water for good coverage. |

DO NOT APPLY NEAR WATER, STORM DRAINS, OR DRAINAGE DITCHES. DO NOT APPLY IF HEAVY RAIN IS EXPECTED. APPLY THIS PRODUCT ONLY TO YOUR LAWN/GARDEN, AND SWEEP ANY PRODUCT THAT LANDS ON THE DRIVEWAY, SIDEWALK, OR STREET, BACK ONTO YOUR LAWN/GARDEN.

## PRECAUTIONARY STATEMENTS

May be harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes mild skin irritation. May be harmful if inhaled. **Follow Directions!** Refer to SDS for health, safety and environmental information.

## WHAT TO DO IN CASE OF CONTACT

**Eye:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Obtain medical attention if irritation persists. **Skin:** Remove contaminated clothing. Wash skin thoroughly with soap and water. Get medical attention if irritation continues. **Inhalation:** Move to fresh air. Obtain medical attention if irritation develops. **Ingestion:** Drink large volumes of water. Call a physician or poison control center. **Indication of Immediate Medical Attention and Special Treatment Needed:** In the event of an adverse response, treatment should be directed toward control of the symptoms and the clinical condition of the patient.

## STORAGE AND DISPOSAL

This product may be corrosive to aluminum, mild steel and brass. Store in HDPE, fiberglass or stainless steel containers. Use only stainless steel, P.V.C. or polypropylene fittings. **Storage:** Store in a cool place in original container in a locked storage area inaccessible to children, pets, domestic animals or wildlife. **Container Disposal:** Do not reuse empty containers. Triple rinse (or equivalent) then offer for recycling or dispose by procedures approved by state or local authorities.

**For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 800-424-9300**

## CONDITIONS OF SALE
