

AMINO·POP

13-0-0

GUARANTEED ANALYSIS

ACTIVE INGREDIENTS:

Total Nitrogen.....13%

Derived from: urea nitrogen.

WARNING

KEEP OUT OF REACH
OF CHILDREN

HAZARD STATEMENTS:

Causes skin irritation. Causes serious eye irritation. Harmful if inhaled.

PRECAUTIONARY STATEMENTS:

Wash hands, forearms, and face thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID:

IF IN EYES: Flush immediately with water for at least 15 minutes while lifting the upper and lower lids. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get immediate medical attention. **IF ON SKIN:** Wash with soap and water. Get medical attention if irritation develops or persists. Take off contaminated clothing and wash it before reuse. **IF SWALLOWED:** Do not induce vomiting unless directed to do so by medical personnel. If the person is alert, have them rinse their mouth with water and sip one glass of water. Call a poison center or physician for advice. **IF INHALED:** Remove victim to fresh air. Get medical attention if irritation develops or persists. **24 HOUR EMERGENCY NUMBER:** 414-277-1311 or CHEMTREC: 800-424-9300

STORAGE/DISPOSAL:

Keep container tightly closed. Store at room temperature or below. Keep product out of direct sunlight. Store in a well-ventilated place. For best results, shake before using since settling can occur. If combining with other products avoid having them mixed for extended periods of time. If mixing with other products, it is best to mix right before application (just in time). Always perform a jar test to ensure compatibility. Dispose of all waste in accordance with local, state, and federal regulations.

Information regarding the contents and levels of metals in this product is available at <http://www.aapfco.org/metals.html>

FOR BEST RESULTS, AGITATE BEFORE USE

AMINO-POP provides an efficient solution to reduce the release of carbon back into our atmosphere. By utilizing amino acids instead of nitrate, plants can create more proteins with less energy consumption and soil nitrogen application – allowing for a dramatic increase in carbon being stored within soils rather than released! Additionally, this product serves as an aid to plant stress mitigation by aiding the plant in the creation of sugars needed to help retain yields.

DIRECTIONS FOR USE:

SUGGESTED CROP: Corn, Soybean, Small Grains, Cotton
APPLICATION: In-Furrow, 2x2, Soil Applied, Foliar, Fertigation
RATE: 24-32 oz.

MIXING INFORMATION: Easy to apply. Mixes with herbicides for stress mitigation. Perfect tank mix partner for fungicides and late season nutritionals.

WARRANTY—CONDITIONS OF SALE:

1. Seller warrants that the product consists of the ingredients specified and is reasonably fit for the purpose stated solely when used in accordance with the provided directions. EXCEPT AS PROVIDED ABOVE, THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED.
2. Because the time, place, rate of application and other conditions of use are beyond sellers' control, sellers' liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price. SELLER SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOST PROFITS OR REVENUES.
