

TURF EXCELLENCE™

SINGE™

GUARANTEED ANALYSIS

PRINCIPAL FUNCTIONING AGENTS:

Modified Vegetable Oil, Polysiloxane Polyether-Copolymer Alkyl Phenol Ethoxylate.....	97%
Constituents Ineffective as a Spray.....	3%
TOTAL.....	100%

TURF EXCELLENCE™ SINGE™

SINGE™ is a multifunctional spray adjuvant developed as a penetrating surfactant concentrate with superior wetting and penetrating characteristics. **SINGE™** is designed as a replacement for non-ionic surfactants and crop oil concentrates in liquid spray mixtures. When used as directed, **SINGE™** maximizes the activity and effectiveness of certain herbicides in post-emergence applications.

NET WEIGHT: 18.56lbs (8.42 kg)

DENSITY: 7.42 lbs per gal @ 68°F

NET CONTENTS: 2.5 gal (9.46 L)

**CAUTION: KEEP OUT OF REACH OF CHILDREN
PROTECT FROM FREEZING**

TURF EXCELLENCE™ SINGE™

MODIFIED VEGETABLE (SEED) OIL AND SURFACTANT

GENERAL INFORMATION

SINGE™ is a multifunctional spray adjuvant developed as a penetrating surfactant concentrate with superior wetting and penetrating characteristics. **SINGE™** is designed as a replacement for non-ionic surfactants and crop oil concentrates in liquid spray mixtures. When used as directed, **SINGE™** maximizes the activity and effectiveness of certain herbicides in post-emergence applications. Not for aquatic use. **PROTECT FROM FREEZING.**

DIRECTIONS FOR USE | REFER TO PESTICIDE LABEL FOR SPECIFIC USE AND APPLICATION RECOMMENDATIONS. Use **SINGE™** at a rate of 1 - 2 pints per acre as a replacement for non-ionic surfactants and crop oil concentrates. The addition of a liquid fertilizer (28-32% nitrogen solution) may also be required to improve control under extreme environmental conditions. **Always add SINGE™ last to the spray mixture and provide good agitation.**

RECOMMENDED RATES	
TURF, TREES & ORNAMENTALS	16 -32 ounces per acre

ENVIRONMENTAL HAZARD STATEMENT

Do not apply directly to water, areas where surface water is present, or intertidal areas below the mean high-water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash water.

PRECAUTIONARY STATEMENTS | NOT INTENDED FOR HUMAN OR ANIMAL CONSUMPTION

WARNING: Causes serious eye irritation and mild skin irritation. Harmful if swallowed or inhaled. Wear protective clothing, personal protective equipment, and eye and/or face protection. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke while using this product. If eye or skin irritation occurs, seek medical attention.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person rinse their mouth and sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Immediately remove contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. If skin irritation occurs, seek medical attention/advice. Call a poison control center or doctor for treatment advice. **IF INHALED:** Remove person to fresh air, if the person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL | PROTECT FROM FREEZING

Storage: Store product locked up and in the original container away from pesticides, fertilizers, food and feed, and keep the container tightly closed when not in use. Take care to prevent water from being introduced to the contents of this container. Keep away from sparks, flame, static electricity, or other ignition sources. Shake well before use and keep from freezing. Avoid storage below 32°F. If **SINGE™** is stored below 32° F it may become cloudy and thicken. **SINGE™** will return to its normal, clear fluid state above 32° F. **DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Triple-rinse the empty container and offer for recycling or disposal in an approved sanitary landfill. Disposal of contents and/or containers must comply with local, state, and federal laws and regulations. **DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.**

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for purposes stated on such label only when used following the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, the presence of other materials, or the manner of use or application, all of which are beyond the control of the seller. In no case shall the seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. Seller makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
